

Monday 8th November 2021

Dear Parent/Carer,

Further to the information emailed this morning, the arrangements for this week are:

Tuesday 9th November 2021: Year 7 pupils working from home.

Wednesday 10th November 2021: Year 11 pupils working from home.

Thursday 11th November 2021: Year 9 pupils working from home.

Friday 12th November 2021: Year 8 pupils working from home.

For those pupils' working from home, their work will be emailed home or available via TEAMS. Unfortunately, due to staffing we are unable to run live TEAMS sessions from tomorrow as we require staff to support in school.

We have been liaising with a number of supply agencies in our local area, to try to avoid this situation however they are unable to provide any further additional staff at this time.

Yours faithfully,

Mrs A Eyre

Headteacher
